

Liverpool Philharmonic Music Room

Visual Story

Welcome to the Music Room at Liverpool Philharmonic Hall

- We are a concert hall that has a wide range of music, comedy, film and family events.
- This is what the building looks like from the **outside at the front**.
- This is the main entrance of Liverpool Philharmonic Hall, on Hope Street.

The Music Room

- At the back of the building on Sugnall Street is the **Music Room**.
- This is where the meeting will be. This door is opened from the inside by one of our stewards.

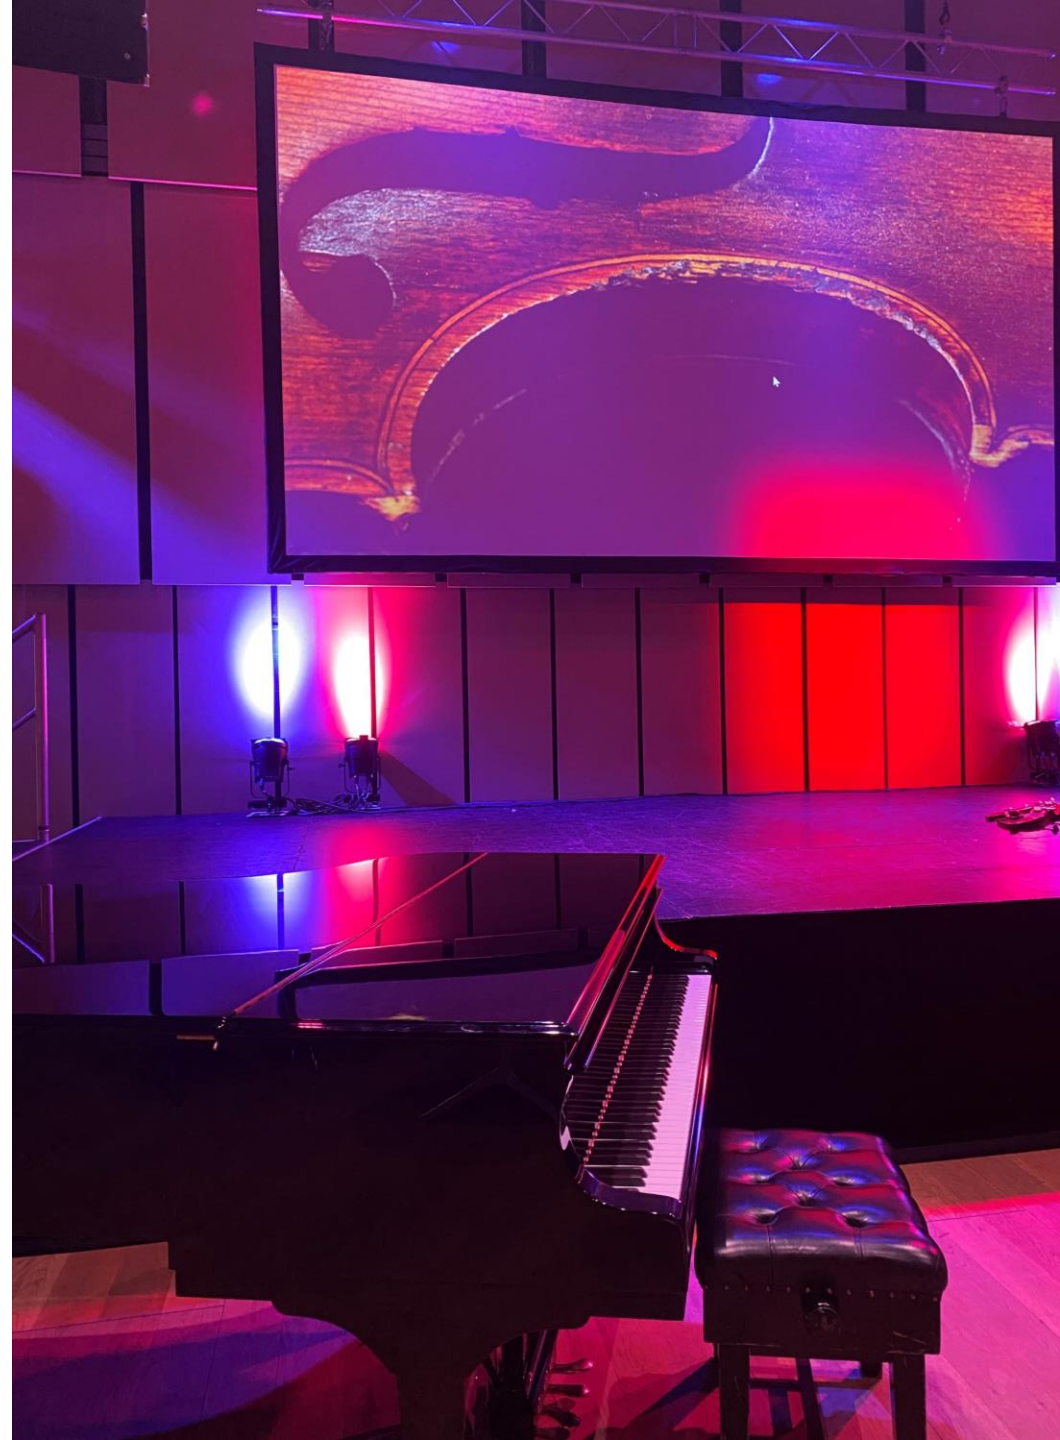

- When you are inside you will first see the bar.
- The, you will go into the main space in the Music Room, which may have a small stage, some coloured lighting and a screen.

- When everyone is ready, a member of the ensemble will welcome everyone to the concert and will make some housekeeping announcements.
- The ensemble might start playing their instruments before the concert so they can warm up.
- The concert will then start, and you can enjoy the music.
- Some of the audience might begin to clap and you can join in if you want.

- At the end of the concert, we will go back into the Music Room bar area, and exit through the same door that you came in.
- There is no rush to leave – you can take your time.

We hope you enjoy your visit to us!

- If during the session, you feel that you might need to take some time out, we do have lots of quiet spaces which you can visit at any time, including in the **Music Room Bar Area** and we have a designated quiet room next to The Music Room.
- Just let a steward know that you would like to leave and they will be able to take you to one of these spaces. You can return to the main space when you feel ready.
- If you would like to bring **ear defenders**, or **small, quiet sensory items** you are very welcome to. We don't have any at Liverpool Philharmonic Hall that you can use.
